Help and support

Fretspace comes with a step-by-step tutorial and detailed reference manual, which are available from the **Help** menu. These can be printed or viewed on screen. If you are reading the manual or tutorial on screen, you can navigate around it by clicking on items within the Table of Contents, or by clicking on cross-references in the text. You can also navigate back to your starting place using the **Back** command (normal shortcut: ⌘[). Use the **Search** command in your PDF viewer to find items within the Table of Contents and elsewhere.

Welcome

Select **Readme** or **Release Notes** from the **Help** menu if you want to reopen this dialog.

Fretspace Tutorial

To read the tutorial, select **Fretspace Tutorial** from the **Help** menu. This gives a helpful introduction to most of Fretspace's features, and also includes a number of useful tricks and tips.

Fretspace User Guide

For a detailed reference guide, select **Fretspace User Guide** from the **Help** menu.

Fretspace Explorations

Select **Fretspace Explorations** from the **Help** menu for a series of online articles on using Fretspace to explore music with a guitar or other fretted instrument.

Support

For support, select **Support** and **Community** from the **Help** menu. This links to our Fretspace Talk discussion list, where you can get help from us and from other Fretspace users.

Feedback and discussion

The discussion forum is also a place where you can discuss Fretspace and provide feedback.
